First Red Painted Childs Bench

\$225

Red painted child's bench. This bench may have been used in a school. Despite being made within the last 40-50 years, these benches are relatively hard to find. "Sturdy" is the word that best describes this bench. "Child charming" also works well. Circa 1960 - 1970. Seat height is 15.25".

Wood: Poplar

Province: Shandong
